'Women Helping Women'

On Thursday, April 30, Brooks Kushman hosted its inaugural "Women Helping Women" networking event at the Susanne Hilberry Gallery in Ferndale to aid the endeavors of two local charities: Jackets for Jobs and Simon House. The event not only supported women-owned businesses (it was held at a female-owned art gallery and utilized the services of a female caterer and sommelier), but also collected approximately 100 articles of pro-

fessional clothing for local women in need. Showing off some of the donated clothing are (left to right) Onnie Barnes Jacque from KPMG LLP, Donna Schulte and Phyllis Morey from Brooks Kushman, Angela Kennedy from Simon House, Alison Vaughn from Jackets for Jobs, Inc., and Lora Graentzdoerffer and Elizabeth Janda from Brooks Kushman.
